

Data Governance Lead

Description

Job Title: Data Governance Lead
Location: Lisbon, Portugal

Introduction to Role:

Are you ready to be a part of a team that supports the delivery of life-changing medicines for patients by enabling the rest of the business to run effectively and harness our transformative science? We're looking for a Data Governance Lead to join our team. Reporting to the Data Governance and Assurance Lead within the GBS Data Office (GDO), you will play a key role in enabling our vision of a data-led culture. This role will be focused on the Commercial data domain, where the remit will cover data related to sales, marketing, medical, market access and related business activities.
