

## Pontera | Data Operator

### Description

On behalf of [Pontera](#), SD Solutions is seeking a **Data Operator** to join the team. The ideal candidate will have a strong attention to detail, excellent communication skills, and a desire to work with numbers.

*SD Solutions is a staffing company operating globally. Contact us to get more details about the benefits we offer.*

The primary responsibility of the Data Operator is to collect data from internal sources, implement it into our system and platform, and perform basic analysis within the US market. The role involves working with internal tools and platforms, without the need for external data programs or tools like SQL or Tableau.

### Responsibilities:

- Collect data from various internal accounts and input it into our internal system and platform.
- Develop a basic understanding of finance analysis within the US market.
- Pay close attention to details and identify any discrepancies or errors in the data.
- Collaborate with the team to ensure accurate and timely data entry and analysis.
- Act as a good communicator, delivering messages and updates clearly to the team.
- 09:00 to 17:00, once a week late shift

### Requirements:

- **Entry level:** No prior experience is required for this position.
- A financial background or relevant university education is preferred.
- Strong desire to work with numbers and perform routine data-related tasks.
- Excellent communication skills, with the ability to deliver clear messages and updates.
- Proficient in **English, both written and verbal.**
- Familiarity with basic finance concepts and analysis in the US market **is a plus.**

### About the company:

Pontera is a FinTech SaaS company on a mission to help millions of people retire better by enabling financial advisors to manage, trade and report on 401(k) and other retirement accounts. The customers range from Fortune 100 financial services firms and large independent broker dealers to small independent RIA's and advisory firms.

Pontera, FinTech SaaS company is proud of its people-first mentality and culture. You will have the unique and exciting opportunity to be part of a team whose mission is to scale Pontera into one of the largest FinTech companies in the world.
