

Data Analyst Intern

Description

At PayPal (NASDAQ: PYPL), we believe that every person has the right to participate fully in the global economy. Our mission is to revolutionize commerce globally to make moving money, selling and shopping, personalized and secure.

Job Description Summary:

The Data Analyst Intern is accountable for supporting the Business Operations team in strategic and tactical decision making, performance monitoring and delivering actionable customer insights.

The Business Operations team identifies opportunities across the UK business. This may be through finding new sources of revenue, unlocking unmet customer needs within the existing merchant portfolio, or driving upsell opportunities. The team works cross-functionally with other PayPal teams in the UK and internationally to deliver on the business priorities.
